Dear Sir:

On behalf of the APWU New York Metro Postal Union AFL-CIO Local # 10 membership we urge your immediate consideration and compliance of the enclosed endorsement of the four demands of the "Free Mumia Abu-Jamal Coalition" (NYC).

This endorsement was voted upon and passed unanimously at our April 15, 2015, General Membership meeting.

As President of the largest local within the American Postal Workers Union AFL-CIO, I Appeal to your human decency and compassion to provide Mumia Abu- Jamal proper medical care/treatment in order to prevent him from experiencing major physical and emotional trauma.

Sincerely,

Jonathan Smith
