Dear Governor Wolf,

I am writing to you with great concern about the dire situation of Mumia Abu-Jamal. He was taken to the Intensive Care Unit of Schuylkill Medical Center in Pottsville, Pennsylvania, after he was removed from prison for a medical emergency without any notification to his family, friends or lawyers and his brother Keith Cook has been denied access and has not been given any information so far.

I ask you to take all necessary steps to grant immediate access to Mumia Abu-Jamal's lawyers and relatives and to provide all information on his health situation.

 Sincerely Yours,
