Dear Governor Tom Wolf,

Mumia Abu-Jamal - AM 8335 - is life-threateningly ill. Since 3 months the DoC has denied him proper treatment, ALTHOUGH it is at hand.

The prisoners under your care clearly deserve better than this. No human being can lose their right to be taken care of, once he or she is helpless and in need, AND by definition stripped of most of their rights. It is your obligation to prevent any cruelty against any of your prisoners.
Please let this man be treated in hospital and by physicians of his choice.
